Dear LCC Parent,

Thanks to the support of LCC parents, La Costa Canyon High School is one of only (9) San Diego County schools called “Best of the Best” for 2007. The state superintendent of public education named LCCHS a 2007 California Distinguished School. Only (95) high schools in the state were selected.

Each year we ask parents for their support to make a significant difference for our students by providing support for academics, athletics, and visual and performing arts programs.

We provide mini-grants of $250 per teacher to help with classroom supplies and teaching aids. We plan to provide $22,000 in mini-grants this year with your help. If we were collect $250 from each family, we could generate over $500,000 for LCC.

We need to raise a minimum of $158,000 for specific program needs that have been identified by LCC staff. These are items not funded by the district. We have established a Technology Task Force to upgrade and provide state-of-the-art equipment and software to better prepare our students for college and the ever-changing work force. The goal is to raise $200,000 this year to meet the technology needs that impact all students and teachers.

I have enclosed a donation form for your use that also includes the opportunity to purchase a student directory, a great source of information about the school and the district office. The Foundation is a nonprofit organization, and all donations are tax deductible to the extent provided by law.

Parents are making a difference at LCC, and we need everyone’s support. All donations at any level will help. If you or your spouse works for a company that will match your donation, please indicate that on the donor form.

On behalf of the parent volunteers serving on the LCC Foundation Board, the LCC staff and students, thank you for your generous support of time and money to help make LCC the “Best of the Best”.

Sincerely,

Tom Compogiannis, President
La Costa Canyon High School Foundation
