2011-2012 Student Directory

LCCHS will be going back to a hard copy, printed directory for the 2011-2012 school year. The Student Directory is very valuable for students when it comes to contacting other students, and parents.

We have an **“opt out”** program for the Student Directory if you do not want to be listed. **Please check the box and sign if you do not want your student, or your family included in the Directory.** If you want to include your name and contact information in the LCC Directory you do not need to do anything, unless you want to change or delete some of the information. Privacy rules require the Foundation to obtain your permission each year to include your family’s information. By not **“opting out”** you will be included in the directory. Please return this completed form with your registration packet during business week, or to the LCC Foundation Office, One Maverick Way, Carlsbad, CA 92009 by Friday September 2nd if you want to opt out or revise information to be included.

Please DO NOT include our family information in the 2011-2012 LCC Student Directory
