

MAVERICKS

Easy Way to Support LCCHS

Register for scrip at Vons, Ralphs and Albertsons

Register grocery club cards and credit/debit cards online and participating merchants will donate a percentage of your purchases to LCC.

This is free and easy money to help LCC so please sign up today.

You need your grocery club card numbers to sign up. When registering, select the LCC booster group you want to support ~ Academics, Athletics, or Visual & Performing Arts. You can support one, two or all three. An automatic contribution will be made each time you use the registered cards at participating stores and restaurants.

Already registered with eScrip? Go online to make sure your credit cards are up to date. This must be done annually.

1) Vons/eScrip ~ Go to <http://www.escrip.com> and follow steps 1-6. In addition to your Vons club card, you can register credit and debit cards at this site. Click sign up, and type in La Costa Canyon as group name. Select the group(s) at LCC you want to support.

2) Ralphs ~ Go to <http://ralphs.com/ccprogram.htm> and click on Participant Sign Up and complete the registration form. To find the NPO number for the group you want to support, click on Help and type in La Costa Canyon as group. You MUST re-enroll annually.

3) Albertsons ~ Go to <http://www.albertsons.com/cp/> and click on Shoppers. Type in your Albertsons Preferred Savings Card number and phone number. Click on Sign Me Up. Click on Find a Partner and type in La Costa Canyon. Select the group you want to benefit from your contributions. Designate the percentage and click on Update.

Ask your family, friends and neighbors to sign up, too.

For more information, contact the LCC Foundation office at lcfoundation@sduhsd.net or 436-6136, ext. 6021.

Thank you for supporting LCC a 2007 California Distinguished School
