

We love our students!!

Did you know that the LCC Foundation exists to support and supplement the entire student body at La Costa Canyon High School? That means that no matter where your student is on campus, the Foundation is supporting them. We are committed to their entire day - from first bell to last whistle!

In the classroom, we are focused on providing resources so that our exceptional teachers can create the best possible learning outcome for our students. Your donation dollars go directly back to the classrooms through our teacher mini-grant program (in other words, the teachers tell us what THEY need and we use your donations to fulfill their requests).

Athletics at LCC are top notch and with that status comes a LOT of hard work, not just from the players but from the amazing network of volunteers and parents. Your donation dollars allow us to support our athletics programs (CIF and Club) by sharing resources and accessing the latest in safety and training gear.

Supporting the Arts is not just a good idea - it's our commitment! We are so fortunate to have amazing students not only participating but leading the way in a variety of creative and inspiring ways. Your donations allow us to keep their creativity flowing!

We know that we have a lofty goal - but don't you agree, our students are worth every cent? Our Annual Appeal Goal of \$40,000 is just a little more than \$25 per LCC student.

With your help, La Costa Canyon High School Foundation can reach this goal and continue the work we've been proudly doing.

Please help if you can. Every donation makes a difference.
