The La Costa High School Foundation “LCCHSF” is the umbrella organization for all teams, groups, clubs, activities, or committees (“Entities”) at La Costa Canyon High School (“LCCHS”). LCC FOUNDATION ORGANIZATION

The executive officers of LCCHSF are the President, VP of Finance, VP of Marketing/Communications, VP of Development and Recording Secretary.

Meetings of the LCCHSF Board of Directors are held monthly unless otherwise noted. To add an item to the agenda, notify the Board President, Executive Director, or the designated Chair at least two weeks prior to the meeting. A brief written report may be submitted to the Secretary for inclusion in the minutes.

BOARD COMMITTEES

All board members agree to be committed to and accountable for the overall goals established by the Principal and LCCHSF. To support the success of LCCHSF, each board member may be responsible for overseeing at least one board committee. Board committees may include non-directors as well as members of the community who do not have students at LCC. Types of board committees may include, but are not limited to:

TWO BASIC RULES FOR ALL LCCHSF ENTITIES

In order to comply with nonprofit corporation law and insurance requirements, all LCCHSF supported Entities must follow LCCHSF bylaws and policies and procedures and must, at a minimum, adhere to the following rules:

#1 Support mission and goals of LCCHSF. Accept, articulate, and advocate the work of LCCHSF in the school and community.

#2 Coordinate ALL fundraising events and activities. LCCHSF approval is required *before* doing any kind of fundraising to ensure proper insurance coverage and coordination among Entities.

RESPONSIBILITIES TO LCCHSF

An entity has the responsibility to:

- Familiarize its members and ensure compliance with LCCHSF policies & procedures.
- Follow LCCHSF guidelines for the collection and disbursement of funds.
- Promote LCCHSF sponsored special events and fundraising activities.
- Promote LCCHSF by sharing information about LCCHSF with other parents & community members.
- Contribute 5% of gross quarterly revenue to the LCCHSF's general fund.
- Abide by the LCCHSF Code and Conduct. (See Attachment A)

FUNDRAISING

LCCHSF is dedicated to consolidating and strengthening the fundraising efforts of all of the Entities. It is LCCHSF's policy to have fundraising activities accomplished through approved fundraising avenues. LCCHSF believes that optimum results and positive community relations occur when all participants comply with LCCHSF policies and procedures.

Business Fundraising

LCCHSF coordinates all business fundraising/contacts within our community for purposes of consistency.

Cash donations and "in kind" donations are two types of contributions accepted by LCCHSF. If your Entity needs in-kind donations (e.g., food, beverages, or prizes), notify the LCCHSF office, identify your event and specific needs, and discuss solicitation options.

All business solicitations (whether cash or in-kind) must use the Donor Form in order to have a record and allow for tax receipts/donor recognition. This form is [available online](#) and must be submitted to the LCCHSF office.

IMPORTANT: Do not contact any business or merchant without following the above procedure so that we can maintain cordial and consistent relationships with the business community.

Significant Fundraising Plans/Ideas

Entities that are interested in running a significant fundraising event are required to propose the event idea to LCCHSF. Proposals will be reviewed by the LCCHSF board for approval. All information shall be submitted in writing and include the proposed event dates, venue, and a preliminary budget.

Merchandise - Use of Logo

The use of the Maverick logo is controlled by SDUHSD and the school site. Entities may use the Maverick logo only when combined with the name of their specific entity.

GRANTS

Grant Writing

Researching, writing proposals, and obtaining grants from outside organizations is part of the fundraising strategy of LCCHSF. In order to maintain consistency and coordinate our efforts, LCCHSF's Executive Director reviews and coordinates all grant submissions with the grants committee. Once the grants committee reviews the final proposals, they are submitted to LCCHSF's board of directors for approval. This ensures that our grants are in line with our fundraising priorities and that we follow a consistent process to obtain outside funding.

Grant Proposal Writing

After you have identified potential grant prospects, contacted the LCCHSF Executive Director and determined that your project meets the criteria for funding, the next step is to draft the grant proposal. Follow the steps outlined by the funder and draft the outline for your proposal or Letter of Intent (a shorter proposal often required by the funder prior to writing a full proposal). Most funders also require periodic follow-up reports. Keep these criteria in mind as you write the grant so that you will be able to measure and report on the outcome and results achieved with the grant funding.

Grant Submission

Submit all grant proposals to LCCHSF for signature by LCCHSF's Executive Director or President. Funders will not accept proposals from individuals or council members without proper signatures, board approval, financials and documentation of nonprofit status.

Grant Tacking

After the grant is submitted, it will be tracked by the Grants Committee to determine status. LCCHSF will report back to the Entity representative or board member when the grant determination is received. If the grant is approved by the funder, LCCHSF will process the check and paperwork, direct it to the appropriate program and send the tax receipt/ thank you letter. If the grant is not approved, LCCHSF may contact the funder for feedback and possible resubmission at a later date.

FINANCIAL POLICY

As a nonprofit 501(c)(3) corporation, LCCHSF must follow generally accepted accounting procedures (GAAP). In addition, as a tax-exempt organization, LCCHSF must annually file with the IRS a *Return of Organization Exempt From Income Tax* (Form 990) which reports a significant amount of financial information. Therefore, it is critical that the Entities follow all financial transaction and reporting procedures.

Because the IRS provides specific categories and classes into which revenue and expenses must be allocated, it is important to maintain complete and consistent records of all transactions. Failure to adhere to financial procedures may result in delayed processing of checks and invoices. Contact the LCCHSF office if you have questions about a financial transaction or need clarification.

Contractual Obligations

Contracts with vendors, sponsors, or any outside group can only be signed by the LCCHSF Executive Director or President. Neither parents nor coaches/staff members are authorized to bind LCCHSF in contractual agreements. No exceptions.

Liquor Liability Coverage

Liquor liability coverage must be obtained for any LCCHS-sponsored event where liquor will be served. There is **NO** alcohol permitted at events where students are present. Entities will not be reimbursed for any expenses incurred related to alcohol, including gifts.

Gifts

Individual recognition shall not exceed \$100 per person. Gift card activation fees are not included in this amount but must be accounted for in an entity's budget. Reimbursement for gift cards must include a list of names of each recipient. Gift cards *shall not* be used for reimbursable expenses.

General Fund Disbursements

Money donated to LCCHSF which is not otherwise designated or earmarked will be deposited into the Maverick Fund.

CAPITAL PROJECTS

A capital improvement project is one in which buildings or grounds at LCCHS are altered or modified in any way. This requires coordinated planning and effort between LCCHS and LCCHSF to ensure that: (1) the project meets capital needs and plans of the San Dieguito Union High School District (“SDUHSD”) and La Costa Canyon High School; and (2) any fundraising effort does not conflict with other major fundraising efforts of the LCCHSF.

A proposal for a specific capital improvement must be submitted to the Assistant Principal of Facilities for initial consideration and project planning. Further review and approval is required by SDUHSD Director of Maintenance Operations. A proposal may also require approval by the Department

of State Architects. After final SDUHSD approval is obtained, LCCHSF must create and implement a fundraising campaign plan, including policies and procedures for accepting campaign gifts, before fundraising can commence.
