La Costa Canyon Foundation
is a 501c(3) nonprofit organization
Your gift is tax deductible to the
full extent allowed by law.

Dear Maverick Family,

We want to welcome you to our 2022-2023 school year! We are so excited to partner with you to make this school year the best it can possibly be.

Did you know that the LCC Foundation exists solely to support and enhance our school's Academic, Art, and Athletic programs? The Foundation funds supplemental courses, equipment, coaches, and technology that enrich the LCC experience. We make it our goal to support your student's entire day - from classroom to sports field to performance.

This year, we are so excited to be welcoming Principal Conn back to LCC. We believe with his vision for LCC and our Foundation support, this year will be exceptional!

La Costa Canyon High School has an incredibly talented student body who achieve great things in Academics, Athletics, and Arts. The Foundation relies on your donations to provide funding for a deeper, more enriched educational experience.

We want to hear from you - what would you like to see the LCC Foundation support? How can we enrich your student's experience? Please let us know!

Ready to donate? It's never been easier! We welcome your one-time or recurring donation - every dollar helps us fund success at LCC!

Check Donations should be payable to: LCC Foundation

Your donation helps fund the following areas for ALL LCC students:

Arts: Your donation supports all courses and programs offered in Video and Film, Dance, Band, Fine Arts, and Theater. Our Visual and Performing Arts department is extraordinary and encompasses all that you can imagine and more. We're proud to support the creativity of the LCC community!

Academics: The majority of your donation is used to help LCC maintain the highest academic standards by supporting our faculty and supplementing materials for all subjects in the California Core Curriculum. Supporting our students in the classroom is our top priority and your continued support makes it possible.

Counseling, College and Career: College and Career readiness is something on the mind of every LCC parent. The Foundation provides funding for after-school enrichment and college and career readiness events.

Technology / STEM: Every year, new opportunities arise for the LCC Foundation to fund vital technology upgrades in the classrooms and around campus. This includes computer equipment, software upgrades, and web development that are critical to our students learning.

IB: The Foundation is proud to support the International Baccalaureate program at LCCHS which is part of a global community of schools committed to encouraging students across the world to become active, compassionate and lifelong learners.
